Member, Society for American Baseball Research

I recently received a request to present Ty Cobb's record as a major league manager. Ty managed the Detroit Tigers from 1921 through 1926, and his record looks like this:

Year	Finish	Won	Lost	Games Behind
1921 .....	6	71	82	27
1922 .....	3	79	75	15
1923 .....	2	83	71	16
1924 .....	3	86	68	6
1925 .....	4	81	73	16½
1926 .....	6	79	75	12

It might be mentioned here that Cobb's managerial duties did not interfere with his batting average. For the period 1921 – 1926 *The Georgia Peach* batted .365 and he became 35 years of age on December 18, 1921.
